ALLYSON GARCIA

SUMMARY

Results-oriented full-stack web developer with numerous projects on GitHub. Highly educated in various programming languages, scripting, and coding. Successful at creating, updating, and refactoring front and back end applications. Looking for a company who can help me grow as a developer while I help them grow as a brand.

EXPERIENCE

Freelance Web Developer
Self Employed Dev | Brownsville, TX | January 2022 - Current

- Developed, coded, installed, tested, debugged and documented web applications using appropriate editors including VS Code.
- Crafted mobile-friendly websites and transitioned desktop sites to mobile-friendly platform.
- Improved navigation, created dynamic media sections and added social media plugins.
- Contributed back-end development experience and collaborated on multiple APIs crucial to functionality.

Grade Level Team Leader
IDEA Public Schools | Brownsville, TX | August 2020 - May 2022

- Collaborated with various departments to support students holistically.
- Resolved various situations to cultivate strong student, parent, and teacher relationships.
- Facilitated staff meetings to convey campus updates and hear teammate input.
- Enforced school rules for attendance, uniform, and behavior in order to help meet organizational expectations.

Second Grade ELA Teacher
IDEA Public Schools | Brownsville, TX | August 2019 - May 2022

- Helped develop strong verbal and written communication skills by leading students through listening, speaking, reading and writing activities.
- Utilized diverse teaching methods to address curriculum objectives.
- Assisted students with building long-term skills such for academic, social and emotional development.
- Formed deep relationships with parents and students by engaging groups through conferences, emails, texts and phone calls.
